

Tweezer Time

Materials Needed:

Tweezers/Tongs

Fun small things to pick up (ex: dried beans, beads, marshmallows, plastic bugs, playdough balls, cotton balls, poker chips)

Paper with designs or open letters

Small containers

Bottle of glue

Prepwork:

Prepare designs and open letters for students to decorate.

Task:

Students use tongs/tweezers to pick up small objects and place them on a picture or in a container.

If desired, students can use glue to outline a letter or picture and place the objects on the glue.

Students with less strength can use larger tweezers or tongs.

Student Goals:

Strengthen intrinsic muscles

Improve precision grasp

Increase eye-hand coordination
