

Laminated Mazes

Materials Needed:

7-8 different mazes of varying levels of difficulty (either taken from a book or self made)

Dry erase markers

Prepwork:

Laminate mazes (if need).

Task:

Instructor demonstrates a route from start to finish.

Students follow maze from start to finish using a dry erase marker.

Students erase maze once finished and then trade with peers to complete other mazes when finished with their own.

Student Goals:

Improve visual motor integration

Improve eye hand coordination
