

Where Do I Sit?

Materials Needed:

Worksheets with spelling words/word wall words with letter alignment errors

Prepwork:

Create worksheets with alignment errors; photocopy.

Task:

The instructor discusses the importance of letter alignment and its impact on legibility.

The instructor defines what letters sit on the base line and what letters go below the line.

Students identify and circle letter alignment errors on worksheet then write the letter/word correctly.

Student Goals:

Recognize errors in alignment

Improve editing skills
