

## Am I Tall or Small?

### Materials Needed:

Writing Paper with a dashed middle line and ideally a space between writing lines.

Pencils

### Prepwork:

None

### Task:

Without using a model, the instructor says a letter and asks the students to write it.

The student writes the letter on his or her paper

The instructor asks if the letter is a tallie or smallie.

The instructor asks the student to write other letters, varying small and tall, and asks the student to compare the size of the letters written. The instructor corrects the student when letters are not the correct size.

### Student Goals:

Enhance memory of letter formation

Enhance recall skills to reinforce learning
