

Glitter Letters

Materials Needed:

Glitter (or sand)

Bottle of Glue

Cardstock

Prepwork:

Pre-make lowercase open letters on cardstock.

Task:

Each student gets a pre-made letter and traces it with glue. Students sprinkle glitter or sand on the letter. Once it has dried, students can trace the letter with a finger.

Students can also form their names in glitter.

Student Goals:

Reinforce letter shape using both visual and tactile systems.

Increase strength

Learn letter formation
