

## Magnetic Word Building

### **Materials Needed:**

Magnetic Letters

### **Prepwork:**

None

### **Task:**

The instructor gives pairs of students magnetic letters that can form a number of simple words.

Students use magnetic letters to create words with a partner.

The teacher encourages students to create words that have the “letters of the week” in them.

### **Student Goals:**

Integrate individual learned letters into a larger part (word).

Learn how the letters of the week form words.
