

Rainbow Writing

Materials Needed:

White and construction paper

Premade letter worksheets

Colored pencils or crayons

Scissors

Glue

Prepwork:

Instructor creates worksheets with open letters written 2 inches by 2 inches. Letters are open so that students can color inside and outside letter. Can include letters of the week, word wall word letters or letters of students' names.

Photocopy worksheet so each student has one.

Task:

Students fill in letters with different colored pencils or crayons.

Students create a picture by cutting out letters and gluing them to construction paper. Students can form word wall words or their name if the worksheet is planned for this purpose.

Student Goals:

Learn letter formation by repeated practice using a visual model.
