

Pick Word Wall Words with Letters of the Week

Materials Needed:

Laser Pointer

Writing Paper

Pencils

Prepwork:

None

Task:

The instructor says a word and students take turns using the laser pointer to find the word on the word wall or around the classroom (assuming words are posted around the room).

Once the word has been identified, all students in the group copy the word onto their papers.

Students take turns using the laser to point to words.

Student Goals:

Recognize words from their sound.

Integrate individual learned letters into words

Develop automatic writing through copying practice.
