

Pumpkin Cut Out

Materials Needed:

Orange/Black Cardstock

Scissors/ Glue

Pencils/Markers

Prepwork:

Photocopy the shape of a pumpkin onto orange card stock

*Another option is for students to draw their own pumpkin and cut out if time allows

Task:

Each student cuts out his pumpkin then cuts out shapes in the black cardstock to make facial features for the pumpkin.

Each student glues the face onto the pumpkin.

Student Goals:

Improve bilateral coordination

Strengthen the palmer arch

Improve eye-hand coordination

Motor Planning
