

Thanksgiving Turkey

Materials Needed:

Crayons/Markers

Glue

Scissors

Turkey worksheet copied onto cardstock

Prepwork:

Copy Turkey worksheet onto cardstock and create a multicolor model.

Task:

Students write one upper case and/or lower case letter on each turkey feather in pencil. After checked by instructor, the students trace each letter with thin black marker.

Students use crayons to color the turkey.

The students cut out the turkey's body, wings, and feathers and assemble according to picture.

Student Goals:

Improve visual motor integration

Increase eye-hand coordination.

Reinforce correct letter formation
